

# HYATTS FILM FESTIVAL

## Help Out Hyatts Technology! This Year's Theme, "Music Moves Us."

There are approximately one-hundred students which make up several groups that have entered the fifth annual Hyatts Film Festival. Over the next couple of months these students will be creating videos based on the theme, "Music Moves Us." Each of the films will be no longer than two minutes in length. All films will be entered into the **Best Picture** category. In addition to

Best Picture, the students can enter their film into one of the 6 other categories, **Best Cinematography, Best Sound, Best Editing, Best Teaching and Learning, Best Narration, and Best Independent Film.**

The event will be held on Monday, May 12th, 2014 at the Gateway Film Center near Ohio State beginning at 7:00 PM. We will

have an "Oscars" type show, showcasing all of the great talents that Hyatts filmmakers have. I am contacting potential sponsors to help finance the event. I would like to award the winners of the Best Picture category with an iPad Air. Each iPad Air is valued at \$499 and we may have to purchase five iPads depending on group size.

If you or your organization or company would like to be a sponsor of this event through a monetary donation, your sponsorship will be recognized on the big screen or in the program during the event. If you are interested in donating to the Hyatts Film Festival, please fill out the form on the back with your level of donation. Thank you for helping to make this wonderful event what it is for the filmmakers at OHMS.
